ProjectLibre

The screenshot displays the ProjectLibre web application. At the top, there's a header with the BOSSIE 2013 AWARDS logo and the InfoWorld logo. The main interface shows a Gantt chart on the right and a task list on the left. The task list includes columns for Name, Owner, Start, and End. The Gantt chart shows a project timeline with various tasks and their durations.

InfoWorld

SugarCRM

The screenshot shows the SugarCRM dashboard. It features several data visualization components: a pie chart titled 'All Opportunities by Lead Source', a funnel chart for 'Pipeline total by 90 days', and another funnel chart for 'Pipeline total by 30 days'. There are also smaller pie charts and a bar chart at the bottom. The interface is clean and modern, with a clear navigation menu on the left.

OrangeHRM

The screenshot displays the OrangeHRM user profile page. It has a yellow header with the BOSSIE 2013 AWARDS logo and the InfoWorld logo. The page is divided into sections: 'Personal Details' with fields for Name, Email, and Phone; 'Attachments' with a list of files; and a sidebar on the left with navigation options. The interface is user-friendly and professional.
